

IEEE International Conference On Shape Modeling And Applications 2006: SMI 2006 Proceedings 14-16 June, 2006, Matsushima, Japan

by International Conference on Shape Modeling and Applications IEEE Computer Society SIGGRAPH European Association for Computer Graphics Computer Graphics Society

Giuseppe Patanè - CV - Istituto per la Matematica Applicata - Cnr Shape Modeling International (SMI), also known as International Conference on Shape Modeling and Applications is an annual . Since 2009, proceedings of SMI are published by Elsevier as a special issue of the. Jump up ^ Shape Modeling and Applications, International Conference on. ieeexplore.ieee.org. Retrieved SMI 2006 31 Mar 2007 . In 2006, CMA counted 89 members (56,3 man years), among these international scene of mathematics and its applications . IEEE Shape Modeling International,. Matsushima, Japan, June 14-16, 2006 Ewald Quak member of the Program Committee New York: IEEE conference proceedings 2006. Author: OConnor, Noel E. - DORAS - DCU In: IEEE International Conference on Shape Modeling and Applications 2006 (SMI06) (Matsushima, Japan, 14-16 June 2006). Proceedings, pp. 14-25. IEEE A Method for Displaying Metaballs by using Bézier Clipping - Nishita . ics hardware and therefore used in many applications, is the rendering with . First publ. in: Proceedings - IEEE International Conference on Shape Modeling and Applications 2006, SMI 2006 : 14 - 16 June 2006,. Matsushima, Japan / sponsored by IEEE Computer Society Visualization and Graphics Technical Committee. A Survey of Viewpoint Selection Methods for Polygonal Models 2006 IEEE/RSJ Int. Conf. on Intelligent Robots and Systems (IROS06), Beijing, and Applications (SMI06), pp.96-97, Matsushima, Japan, June 14-16, 2006. Proceedings of International Conference on Pattern Recognition, ICPR 2006, Vol 2, Gui Zhenghui, Zhang Chao, Robust Active Shape Model Construction and MULTI-SCALE SHAPE SEGMENTATION - imati-cnr 31 Mar 2007 . In 2006, CMA counted 89 members (56,3 man years), among these international scene of mathematics and its applications . IEEE Shape Modeling International,.
